Privacy Policy for App
Bulls & Cows - Math game

It is the policy of Pavel Moslienko ("developer") to respect your privacy, and the privacy of all users of our applications. This Privacy Policy (the "Policy") has been established to help you understand our commitment to protecting your privacy, and the steps developer take to ensure it. This Policy was last modified on February 14, 2019. Developer reserves the right, at any time and without prior notice, to modify the Policy.

Your privacy is very important to us and developer want you to know everything developer do and don't do with the information you provide. Our guiding principle is that developer collect as little information as necessary (and in most cases this means no information at all).

BY INSTALLING, USING OR ACCESSING THE APPLICATION, YOU HEREBY ACCEPT THE POLICY WITHOUT QUALIFICATION.

If you do not agree to this Policy, do not use or access the Application, and delete it from the device on which the Application was installed (the "device").

If you have any questions about the Policy, please contact:

support web page: https://github.com/moslienko/moslienko.github.io/issues

Collection of Personal Information

Pavel Moslienko does not gather any of your personal information while you are using the Application, except as provided for in this Policy. Where certain information is collected, it will only be used for the stated purpose.

Under no circumstances does Pavel Moslienko collect, download or otherwise make copies of any data you create using the Applications.

Third-Party Advertisements

Where you have downloaded Bulls & Cows - Math game app, the Application uses Google, a third party vendor, to serve advertisements in the Application, using the AdMob system (see http://www.google.com/ads/admob/). By using the Application, you consent to the delivery of these advertisements and any data collected by Google, as per the Privacy Policy of AdMob (found at http://www.admob.com/home/privacy).

Do third parties see and/or have access to information obtained by the Application?

Yes. Developer will share your information with third parties only in the ways that are described in this privacy statement.

Developer may disclose User Provided and Automatically Collected Information:

- as required by law, such as to comply with a subpoena, or similar legal process;
- when developer believe in good faith that disclosure is necessary to protect our rights, protect your safety or the safety of others, investigate fraud, or respond to a government request;
- with our trusted services providers who work on our behalf, do not have an independent use of the information developer disclose to them, and have agreed to adhere to the rules set forth in this privacy statement.

- to advertisers and third party advertising networks as described in the section about Third-Party Advertisements.

User Control and Uninstall

You can access and change user settings from the options/settings menu where appropriate on your device. Uninstall methods vary depending on your device. Pavel Moslienko has no control over these functions and denies any responsibility of your use thereof, and any data or personal information sent to third parties as a result of said activities.

Limitation of Liability

Pavel Moslienko, and / or its respective officers, directors, and other related entities, servants, agents, representatives, successors and assigns, will not be held liable for any damages resulting from the misuse of any information collected through the Application by any third party, or any misuse of any information collected through the Application not in violation of the Policy.
